## Life Insurance Through LifeHelp

Are your loved ones financially protected should you pass away? It might seem like a long way off, but the unexpected is precisely why you need to be prepared. Don't leave your grieving family burdened with worry about how they will pay for future needs, let alone medical costs and funeral expenses.

Our partner, **LifeHelp**, can help you shop for a life insurance policy designed to fit your needs and budget, ensuring your loved ones continue to live comfortably if and when you are gone. To get started on a quote, visit them online at:

## **Mortgages for First-Time Home Buyers, Purchases, Refinances, and Investments.**

SummitFCU's partner, Woodside Mortgage, offers mortgage solutions for first-time home buyers, homeowners who want to purchase or refinance, and for those purchasing investment properties. With as little as 3.5% down (0% for qualifying veterans!), you can purchase a new home.

Woodside Mortgage representatives will also work with you to either purchase or refinance investment properties. If you have a high loan-to-value issue, consider a refinance alternative.

In many cases, Woodside Mortgage can offer customized loan terms to help you pay off your mortgage according to your own timeline.

If you are interested in speaking with one of their mortgage representatives, you can reach one at 216-468-0158, ext. 120 or email [info@culend.com](mailto:info@culend.com). Whatever you need, Woodside Mortgage can help you make it a reality.
