If you used the wrong PIN/password or you have not properly followed any applicable computer, Internet access, or Credit Union user instructions for making transfers or payments.

If your computer fails or malfunctions or **Web-24** was not properly working and such problem should have been apparent when you attempted such transaction.

If circumstances beyond our control (such as fire, flood, telecommunication outages, postal strikes, equipment or power failure) prevent completion of the transaction.

If the funds in the account are subject to an administrative hold, legal process, or other claim.

If you have not given the Credit Union complete, correct, and current instructions so the Credit Union can process the transfer or payment.

If the error was caused by a system beyond the Credit Union's control, such as your Internet Service Provider.

If there are other exceptions as designated by the Credit Union from time to time.

DISCLOSURE OF INFORMATION TO THIRD PARTIES

We will disclose information to third parties about your account or the transfers you make:

- 1.) Where it is necessary for completing transfers, or
- 2.) In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
- 3.) In order to comply with government agency or court orders, or
- 4.) To our affiliates or for purposes of offering or providing you other products or services, or
- 5.) If you give us your written permission.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Call us at 330-376-3626 or write;

Summit Federal Credit Union, P O Box 1460, Akron, Ohio 44309.

As soon as you can, if you think your statement is wrong or if you need more information about a transfer listed on the statement. We must hear from you no later than 60 days after the date of the FIRST statement on which the problem or error appeared.

- 1.) Tell us your name and account number.
- 2.) Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- 3.) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will tell you the results of our investigation within 10 business days (20 business days if your question or complaint involves a transaction to or from an account opened within the last 30 days) after we hear from you and correct any error promptly. If we need more time, however, we may take up to 45 business days (90 business days if your question or complaint involves a transaction to or from an account opened within the last 30 days) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if your question or complaint involves a transaction to or from an account opened within the last 30 days) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

If we decide there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of documents that we used in our investigation. The Credit Union may revoke any provisional credit provided to you if we find an error did not occur.

If your alleged error or question relates to a transfer that resulted in an advance on your Home Equity Line of Credit, after we hear from you, we cannot try to collect any advance on your account's Home Equity Line of Credit you question, or report you as delinquent.

We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned advance on your account's Home Equity Line of Credit while we are investigating, but you are still obligated to pay the advances that are not in question. If we find that we made a mistake, you will not have to pay any finance charges related to the questioned advance(s).

If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned advance(s). In either case, we will send you a statement of the amount you owe and the date that it is due. If you fail to pay the amount that we think you owe, we may report you as delinquent.

However, if our explanation does not satisfy you and you write to us within ten (10) days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

STOP PAYMENTS

The transactions you perform on **Web-24** are "real time" transactions and cannot be canceled except by performing corresponding reverse transactions. If you transfer money into a third-party account, transfer money into your club accounts, or make payments on your loan accounts, you will not be able to reverse those transactions.

If you have arranged with the Credit Union in advance to make regular periodic payments out of your account, you can stop any of those payments by following these procedures:

- 1.) Call or write the Credit Union at the telephone number or address set forth above in time for it to be received three (3) or more business days before the payment is scheduled to be made.
- 2.) If you call, the Credit Union may require you to put your request in writing so that it reaches the Credit Union within 14 days after you call.

If you order us to stop one of these payments three (3) business days or more before the transaction is scheduled, and we do not do so, we will be liable for any returned check fees resulting from our failure to perform the transaction.

THE BILL PAYING PROCESS

Single Payments – a single payment will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment's process date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time, which is controlled by the Financial Institution, is currently 2:00 pm ET.

A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's process date, the payment will be processed on the first business day following the designated process date.

Recurring Payments - When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a process date is calculated for the next occurrence of the payment. If the calculated process date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payment's "Pay Before" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date prior to the calculated process date.
- If the recurring payment's "Pay After" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date after the calculated process date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated process date, then the last calendar day of that month is used as the calculated process date.

SINGLE AND RECURRING PAYMENTS

The system will calculate the Estimated Arrival Date of your payment. This is only an estimate. Please allow ample time for you payments to reach your "Payees."

CANCELLING A PAYMENT

A bill payment can be changed or cancelled any time prior to the cutoff time on the scheduled process date.

AVAILABLE FUNDS

You agree to have available and collected funds on deposit in the account you designate in amounts sufficient to pay for all bill payments requested, as well as any other payment obligations you have to the Financial Institution.

- If you do not have sufficient funds in the account and Summit FCU has not exercised its right to reverse or reject a bill payment, you agree to pay for such payment obligations on demand.
- You further agree that Summit FCU, at its option, may charge any of your accounts with Summit FCU to cover such payment obligations.
